

## Adventist Church Member House in Mujnai Village (northern India) is Rampaged by Wild Elephant on August 13, 2008

On August 13, 2008 wild elephant entered Adventist village at 2:30pm and smashed – rampaged 10 houses. Thank God for saving the life of our church members. --- visited the site and consoles the member with prayer and thanking for saving the precious life.

Brother ---- and his wife, -- taking care of the flocks in this village and standing in front of their kitchen smashed by elephant. Their eatables stored for whole monsoon was eaten up by elephant and also destroyed all the Kitchen utensil, cycle.....

But they praised our Lord for saving their family life.

Mrs. -- one of our regular active members windows is being broken forcefully by wild elephant and we can see the crack. Putting trunk inside whole food stuffs stored was consumed leaving them starve during this incision-rain during this monsoon.

View of damaged house by elephant Church Elder house is smashed and whole food supply is finished

Total house is rampaged –smashed and currently during this incision rain members are shifted to neighbor cow barn.

Kindly remember our beloved Adventist members in your special prayer as they are going through pain and difficulties in restoring their normal life. Amen

Reported By ---- (note: "incision rain" means "hard, driving rain")
